Venture Philanthropy

Executive Education

Do you work, or have an interest in, the field of philanthropy in Africa? Do you wish to develop your expertise and deepen your understanding of venture philanthropy, philanthrocapitalism and impact investing?

The Centre on African Philanthropy and Social Investment (CAPSI) at Wits Business School presents an online masterclass:

Venture Philanthropy

Who is it for?

This masterclass is aimed at individuals who wish to develop expertise and strengthen their knowledge in the field of philanthropy and social investment on the African continent. It is designed for those who aspire to be change-makers in this field as well as for experienced professionals studying part-time for professional development.

Why a masterclass?

Masterclasses give delegates an opportunity to attend a short class which focuses on only one area of interest. This 'laser' approach to learning suits busy professionals who are not able to attend longer courses.

What will I learn?

You will learn:

- The basic concepts of venture philanthropy and impact investment
- The investment process and techniques
- How to develop an impact-centric funding strategy
- Social impact bonds
- Measuring impact
